

*We're celebrating the opening of the new
State Route 89/89A Interchange*

Ribbon Cutting Event

April 14, 2008

9:30 am

At the on ramp to the bridge

Carefully exit left off of
89A behind the shoulder
barricades and park on
the closed new mainline
pavement near the
bridges.

The bridge over State Route 89 will serve as an East-West connector, easing congestion for motorists traveling between Prescott, Prescott Valley, and Chino Valley.

Improvements to the State Route 89 corridor will meet the needs of the growing community well into the future.

The bridge over State Route 89
at the State Route 89A/Pioneer Parkway:
Part of the improvements for the State Route 89 corridor.
